**HOME assignments:**

These are to be done during the week that we do not meet in person. Students AND families are to watch the videos on the website, read the Scriptures passages, and discuss the questions TOGETHER. Students will then report back to the pastor what the family discussed (in general terms), answering select questions.

**Faith Companion Projects (7<sup>th</sup>-8<sup>th</sup> Graders):**

- Summer—Have a meal together.
- Fall—Explore another faith tradition.
- Winter—Do a service project together (help w/ FEAST, volunteer @ Food Pantry, go caroling, visit homebound, etc.)
- Spring—Attend a meeting for the congregation (ministry team, council, Vision Rally, etc.)
